SUMMER PROGRAMS

PASSPORT TO MIDDLE SCHOOL AND HIGH SCHOOL

These programs are designed for all middle and high school students. Participants will sharpen their skills, giving them an edge as they transition into their new school setting. This will Strengthen Reading, Writing & Thinking Skills; Improve Reading Efficiency (Speed Reading) and Focus on Advanced Study Skills.

PASSPORT TO COLLEGE

Submitting a polished college application and essay is the best way to gain the competitive edge and to get into the college of your choice. Our experienced instructors work one-on-one with students to complete the application process with an emphasis on writing an effective and powerful essay. We use a proven 3-step process that includes brainstorming ideas, choosing a topic, and writing the essay.

We will also help students adjust to the academic rigors of a college setting, increasing confidence, decision making and preparedness as they gain the skills needed for success.

SPEED READING/STUDY SKILLS

This is our most popular summer program for middle school through college students. Based on the student's individual needs, the program teaches/strengthens study skills (SQ3R), time management, organization, test taking strategies, and much more. The program also includes developing/strengthening reading efficiency skills from basic reading (speed reading) through advanced skimming and scanning techniques.

TEST TAKING PREPARATION

Build confidence and reduce anxiety in an organized approach to standardized test taking skills supporting the **ACT, SAT, PSAT, SSAT, Catholic High School Entrance Exam, and more.** Our techniques and strategies aim to improve necessary skills including essay writing, reading comprehension and analytical abilities utilizing pretests and full practice tests.

CREDIT RECOVERY

Keller Clinic is offering subject support and access to NCAA accredited courses. All courses offered at Keller Clinic require pre-authorization from your school.

Subject areas for credit recovery include: Mathematics, Health, Chemistry, Environmental Sciences, Social Sciences, Social Studies, Language Arts & Foreign Languages.

ELEMENTARY TUTORING

Give your child an extra academic boost this summer in a creative and engaging program. Sessions offer hands on learning through games, activities, projects and more. Students will receive the enrichment and support while receiving individualized attention that combines fun and learning in a constructive environment.

REQUIRED SUMMER READING

Let us help with required summer readings. Our one-on-one instruction emphasizes Analysis of Themes, Characters & Literary Devices through discussions, written responses and essay writing.

SPANISH & FRENCH TUTORING

High School Students take advantage of this exciting refresher program designed to review grammar and prepare for next year's challenges.

Middle School Students GET AHEAD by learning the basics of the Spanish and French language & culture providing the ACADEMIC EDGE to High School success! One-on-one sessions available.

WRITING

Explore the writing process: Brainstorming, thesis, outline and essay. Further emphasis will be placed on proofreading and revising in order to write a polished paper. Information regarding different types of essays (Argumentative, Expository, Narrative and Creative) will be explored.

SUMMER ENRICHMENT

Keller Clinic offers K-12 summer enrichment programs for all subject areas.

SUMMER SAVINGS

SAVE **\$5.00 per session** from our regular one-on-one fee when you purchase 10 sessions. Instruction will occur on a **one-on-one basis.** (one student with one teacher)
